<u>QUESTION</u>	<u>RESPONSE</u>
Can companies from outside of the USA apply?	Yes
Please clarify what is expected regarding Ridership Counts?	RFP states the "...selected firm may be requested to develop, maintain and/or create..." Ridership Counts are presently produced by conducting on board sampling.
Will the respondent be involved in updating and developing routes? Will GWTA determine and develop new routes for respondent to update?	RFP states the "...selected firm may be requested to develop, maintain and/or create..." RFP states the "...selected firm may be requested to develop, maintain and/or create..."
Is the form "Affidavit D -Good Faith Efforts (HUB Certification)" required?	Respondents may complete either Affidavit A or Affidavit B as part of their response to this RFP. Once a successful respondent is chosen, then either Affidavit C or Affidavit D may also be required.
How often will there be meetings requiring attendance? How important is attendance at meetings? Is it necessary to attend in person?	All Board meeting minutes are posted on our website and may be used to estimate frequency of past participation from successful past respondent as a minimum. RFP states attendance is required. RFP states attendance is required.
Can tasks be performed outside of the USA?	Any tasks not expressly identified to require presence is open for consideration.
Has an budget been established? Is there a budget range for the contract?	Proposed cost is one of the three competitive factors identified by the RFP. GWTA has not yet set a firm budget for the contract. However, it is expected that the final budget will be in a similar range to the last contract, which was approved by Goldsboro City Council at their meeting on July 18, 2016
Can proposals be submitted by email? Is there a street address available for proposal delivery?	Responses should be provided consistent with the direction given in the RFP Responses should be provided consistent with the direction given in the RFP
