The Goldsboro-Wayne Transportation Authority (GWTA) now has a new “Fare Card” for passengers. GWTA officials launched the new program this week.

The “11-Ride Fare Card” offers passengers the opportunity to get 11 rides for the price of 10. GWTA officials say the cards do not expire until after the 11th ride is taken by the passenger.

The cards are available for purchase at the GWTA Transfer Center ticket counter. The cost for each card is \$10.

GWTA leaders say the new “Fare Card” supports the organization’s mission of creating a more convenient traveling experience for the people of Goldsboro and Wayne County.
